THE NEED FOR LOVE

Imagine spending your childhood being moved from one place to another, never finding the love and stability of a permanent home. Or living in constant fear of abuse.

How might this affect you as you go through life?

Coram exists to break this negative cycle. That's why we remain determined to help every child find their voice, to make sure they feel safe, and most of all to make sure they are loved.

Our Build the Love appeal will enable us to reach thousands more children every year, give them the best possible start in life and inspire them to reach their full potential.
