MICROMOSAIC MADNESS

Nourbel & Le Cavelier's Nada Roma Micromosaic Collection has to be seen to be believed. Incorporating historic colourful and intricate micromosaics dating from 1850 to 1960 and originally made in Venice, each piece is converted into something fresh, modern and one-of-a-kind. The exclusiveness of these historical finds make these rare pieces a real treasure to own.

From the Nada Roma Collection, these micromosaic earrings with 2.70 carats of green quartz, 3.40 carats of tourmaline, 0.71 carats of brown diamonds, 0.59 carats of emeralds and 0.58 carats of ruby are finely set on 18K yellow gold. An exclusive design by Nourbel & Le Cavelier.
