Q

I don't like my toes... what summer shoes would you recommend?

A

Not getting your toes out when the sun shines is a bit like not going up for seconds at an all-you-can-eat buffet. You can avoid it but why on earth would you want to? I'm grimly fascinated to know just how bad your toes really are, but I suppose I'll have to make do with suggesting these Phillip Lim sandals, which offer a good solution – toes covered but the rest of your feet free to breathe in on-trend gladiator straps. 3.1 Phillip Lim gladiator sandals, £650, at thecorner.com

JOSEPH BAGS AT SELFRIDGES

This week I have a double whammy at Selfridges to share. First there's its fabulous, refurbished contemporary accessories room; then I hear that it will be the exclusive home for the new range of handbags by Joseph. Designed with Katie Hillier, the collection of six bags is as functional as it is elegant. Exclusively at Selfridges until 1 June. E145-E925 (selfridges.com)

Add extra glamour with a HOCKLEY fur (right), £875, and a BUTLER & WILSON brooch (above), £78

For a touch of Art Deco, these NOURBEL & LE CAVELIER earrings (left), POA, are just the ticket. Or wear a BENTLEY & SKINNER pearl necklace (left), £8,750, as a 1920s-style headpiece. Make a bolder statement with this TOPSHOP necklace (below), £20

This fringed STELLA MCCARTNEY dress (right), £1,520, at Matches, is perfect for a West Egg-style soirée. For a more defined waist add a metallic bow belt (above), £18, WAREHOUSE at John Lewis

This EMI JORGE pearl clutch (left), £1,125, at CoutureLab, demands attention. Dab on TOM FORD's White Patchouli eau de parfum (above), £68, at Selfridges

Do the Charleston in EMPORIO ARMANI heels (right), £570. Or try ZARA's lower pair (below), £39.99
