**DELIGHTFUL DÉCOR**

Objet's home décor collection is second-to-none and heaving with excellent gift ideas. The malachite espresso gift box (£465) is a spectacular addition to any dining room. [www.l-objet.com](http://www.l-objet.com)

**ONE OF A KIND**

Specialising in entirely hand-made, mostly one-of-a-kind jewels, Nourbel & Le Cavalier's exquisite collection is enough to tempt even the most seasoned collectors. This unique dragonfly set is made up of earrings and a ring with Tahitian pearls and extra white diamonds finely set in 18K yellow and white gold. Their seven row Boa bracelet is set with extra white round brilliant diamonds individually 'sertis-clos' in 18K yellow gold. [www.nourbel-lecavelier.com](http://www.nourbel-lecavelier.com)

**MAD FOR NEEDLEPOINT**

Bringing a fresh and modern approach to this wonderful old craft, Mad In England makes printed needlepoint kits for the discerning stitcher. Mini kits work well for the beginner, or the burgeoning bespoke service allows people to create their own designs. Made with 100 per cent British wool.
