—THAT OLD CHESTNUT—

With the amount of rain we endure in England, an umbrella is a crucial piece of kit. Henry Poole & Co has just unveiled a brand new collection, which includes the Chestnut Crook Golf Umbrella. With a sturdy chestnut wood handle and attractive olive-green waterproof canopy, it is fitting for a city or country stroll. This is a luxury umbrella to last a lifetime.

—GOLDEN EARS—

When searching for a pair of earrings to liven up a simple ensemble, look no further than the Nada Roma Micromosaic earrings from Nourbel & Le Cavalier. The mismatched style is particularly interesting, set in 18ct yellow gold with diamonds, tourmalines and blue sapphires, which all enhance the beauty of the Roman mosaic tiling.
