**NOURBEL & LE CAVELIER CELEBRATES ITS NEW VALENTINES DAY WINDOW DISPLAY WITH A
PRIVATE EXCLUSIVE EVENT OF DIAMONDS, DRINKS AND DELICIOUS DELIGHTS.**

Mayfair, February 12th 2014 –

The Swiss Master Jewellers, Nourbel & Le Cavalier, opened their first boutique in December 2011 in the Burlington Arcade.

Nourbel & Le Cavalier are fast becoming known for their unique, creative new window displays setting them apart from everyone else in the Arcade. The new window, unveiled last week is celebrating St Valentine's Day. It was created exclusively for Nourbel & Le Cavalier by Caroline Dickinson of *Flowers unlimited*.

The stunning window decoration, compliments the amazing collection of pigeon blood Burmese Rubies and the rare Paraiba creations.

Nourbel & Le Cavalier is celebrating Valentine's Day and its new red dogwood and orchid window display with a very private event of drinks, diamonds and delicious delights here in the historic Burlington Arcade.

The Arcade will be closed off and by strictly invitation only for around 60 high profile guests enjoying *Porgies* canapés, Jazz music from The Chris Hyson band and Valentine cocktails exclusively mixed for Nourbel & Le Cavalier by Bloom Gin.
